

## CONTENTS

<b>Preface</b>	<b>vii</b>
<b>Contributors</b>	<b>x</b>
<b>Reviewers</b>	<b>xiii</b>
<b>Acknowledgments</b>	<b>xiv</b>
<b>1. Raptor studies in México: an overview</b>	<b>1</b>
Ricardo Rodríguez-Estrella and Laura B. Rivera-Rodríguez	
<b>2. How many raptors species are there in México?</b>	<b>33</b>
Octavio R. Rojas-Soto and Adolfo G. Navarro Singüenza	
<b>3. Status of raptors in Nuevo León, México</b>	<b>46</b>
Alan S. López-V., Armando J. Contreras-Balderas, José I. González-Rojas, Juan A. García-Salas, Antonio Guzmán-Velasco, and Fernando Montiel de la Garza	
<b>4. Recent breeding records and sightings of Neotropical forest eagles in southeastern México</b>	<b>59</b>
Andrew M. Burton	
<b>5. Food habits of breeding peregrine falcons (<i>Falco peregrinus</i>) in the Ojo de Liebre Lagoon, Baja California Sur, México</b>	<b>71</b>
Aradit Castellanos, Federico Salinas, Cerafina Arguelles, Antonio Rodríguez, and Eloísa Sánchez	
<b>6. Comparative study of diurnal raptors at two locations along the coast of Jalisco: El Playón de Mismaloya and the Península El Tamarindo</b>	<b>83</b>
Salvador Hernández Vázquez	
<b>7. Spatial analysis of landscape diversity for the aplomado falcon (<i>Falco femoralis septentrionalis</i>) in northern México</b>	<b>105</b>
Elsa Margarita Zamarrón Rodríguez and Alberto Lafón Terrazas	

8. **Ecology and population status of ospreys (*Pandion haliaetus*) in coastal Sonora** 120  
Jean-Luc E. Cartron, Stefan A. Sommer, Darlene E. Kilpatrick, and Tad A. Pfister
9. **Breeding biology and success of the osprey (*Pandion haliaetus*) in Laguna San Ignacio, Baja California Sur, México, in 1998, 2000, and 2001** 149  
Ricardo Rodríguez-Estrella, Laura B. Rivera-Rodríguez, and Erika Jazmín Morales
10. **High infestation by blood parasites (Haematozoa) in nestlings of colonial ospreys (*Pandion haliaetus*) from Baja California, México** 163  
Jesús A. Lemus, Guillermo Blanco, and Ricardo Rodríguez-Estrella
11. **Resident and wintering populations of the burrowing owl (*Athene cunicularia*) in México** 181  
Ricardo Rodríguez-Estrella and Javier Bruno Granados Ruíz
12. **Raptor and raven electrocutions in northwestern México: a preliminary regional assessment of the impact of concrete power poles** 202  
Jean-Luc E. Cartron, Ricardo Rodríguez-Estrella, Robert C. Rogers, Laura B. Rivera-Rodríguez, and Javier Bruno Granados Ruíz
13. **Current curatorial and bibliographic knowledge of Mexican Falconiformes** 231  
Patricia Ramírez-Bastida and Adolfo G. Navarro Singüenza
14. **Taxonomy, distribution, and conservation of owls in the neotropics: a review** 254  
Paula L. Enríquez, David H. Johnson, and José L. Rangel-Salazar
15. **Taxonomic allocation and precision for tropical owl communities: a sampling approach** 308  
José L. Rangel-Salazar, Paula L. Enríquez, and Peter Marshall
